To Those I Love and Those Who Love Me

When I am gone, release me, let me go I have so many things to see and do You musn't tie yourself to me with tears Be happy that we had so many years I gave you my love, you can only guess How much you gave to me in happiness I thank you for the love you each have show'n But now it's time I traveled on alone So grieve a while for me if grieve you must Then let your grief be comforted by trust It's only for a while that we must part So bless the memories within your heart I won't be far away. For life goes on. So, if you need me, call and I will come Though you can't see or touch me I'll be there and if you listen with your, your heart, you'll hear All of my love around you soft and clear and then when you must come this way alone, I'll greet you with a smile and "Welcome you Home."
